A vibrant and indulgent chocolate display. The scene is dominated by dark chocolate structures, including two large, twisted chocolate pillars that frame the central area. Between and around these pillars are several chocolate Christmas trees of varying sizes, each meticulously decorated with colorful candies like M&M's and Smarties. In the foreground, two large, shallow black trays are overflowing with a variety of colorful candies and chocolates. The background consists of vertical stripes of soft, pastel colors in shades of pink, purple, and blue, creating a magical and celebratory atmosphere. The lighting is warm and focused on the chocolate, highlighting its texture and the vibrant colors of the sweets.

NEW YEAR'S

AT LAB BY SERGI AROLA

NEW YEAR CELEBRATION
2024 - 2025

NEW YEAR'S

AT LAB BY SERGI AROLA

The New Year's Eve dining experience at LAB by Sergi Arola is about finding light as we journey into the New Year, through an immersive experience designed to inspire our guests with perspectives of illumination, clarity, brilliance, and the festive glow.

The central message of this Michelin dining experience is that each interpretation of light during the evening will brighten the New Year, filled with prosperity, where light behaves as a wave, showcasing phenomena like interference and diffraction. We all carry our own light—it is our essence.
